## **Vinyasa Yoga classes - poses flow one into the next synchronized with breath.**

**Beginner-** for students new to yoga and/or who need to proceed slowly due to injury, deconditioning or preference. Basic explanations and support provided.

**Gentle-** a gentle approach with poses broken down into easy, accessible movements. Students are taught to modify poses to stay within safe limitations.

**Level 1-** for students with a developing practice. Poses may be modified. May include an introduction to more advanced poses such as arm balances and inversions.

**Level 2-** for students with an established practice, offering vigorous and deep sequences. Student will be introduced to more challenging poses and variations.

**Level 3-** for students seeking advanced options and variations in all poses, particularly arm balances, inversions, backbends and binds. Offers more challenging sequencing and pace.

**Alignment Inspired Vinyasa 2-3-** attention to alignment. For those who want a deeper understanding of poses.  
**Iyengar Inspired Vinyasa 2-3-** based on BKS Iyengar's development of using all props, including the ropes wall, to facilitate a deep anatomical understanding of yoga asanas.

## **Hatha Yoga classes-poses are done with pauses in-between. Without flow**

**Hatha-** easy accessible poses, modified as needed for each student

**Hot Yoga classes-** a set sequence of poses done in a hot room. Even iron will bend if heated enough! Please hydrate before, during and after this class.

**Svaroopa® (swa-roo-pa) Yoga classes-** a restorative style to unravel the deepest tensions of the body and mind. Poses are held long and comfortable with support from blankets, blocks and other props. This different approach releases the muscles that attach to your spine. Must be able to move down to and up from the floor.

## **Our Instructors**

**Maureen Shortt, M.A.,** is a 500 hour registered Yoga Teacher with Yoga Alliance, a registered Svaroopa(R) yoga teacher, a member of the Yoga Research Society, a Fellow of the American Institute of Stress, and a student of Continued Ayurveda Studies with Dr. Bharat Shulka. She holds her Masters degree in Nutrition Counseling.

**Michele Armstrong,** certified yoga teacher in Vinyasa flow and is lead by 2 principals: that in yogic teaching giving and receiving are one in the same and exactly where one is at present is exactly where one is meant to be.

**Courtney Copper,** a former Rockette, is registered with Yoga Alliance at the 200 Hour Level. She is a certified pilates instructor, member of AFAA and a dance teacher/choreographer.

**Amy Cronise-Mead, MFA,** is an E-RYT-500(experienced, registered yoga teacher at the 500 hour level) trained in Anusara, Vinyasa, and Tibetan Heart Yoga and has been teaching an uplifting spiritual practice since 2000.
